### Dressing up for the day

Students will be able to come to school in clothing that is of cultural significance, or that represents a country of their choice, or in national flag colours.

### International Food tasting

We would like students to taste and share international home-made food with their class. If you would like to contribute, please ensure food is sliced and ready to be eaten in the classroom, and is able to be served at **room temperature**. Our school is a **nude food school**, so please send food to be shared in labelled, re-usable containers. **Children with allergies-** parents are requested to provide appropriate food for their child.

### Lunch

**We ask parents to please provide lunch for their child as usual on the day. The food tasting will be in addition to your child's usual lunch.**

### Incursions

Payment for incursion is \$6 per student, via Compass.

Grazie, and looking forward to a wonderful celebrazione!
